Your personal statement is a critical part of your application. Please include the following information:

- When did you become interested in your current field of study? How and why does it interest you?
- What have you learned about this field and yourself that makes you likely to succeed in it?
- What personal strengths, life experiences, skills, or other qualities do you possess that qualify you to receive the ONSIGHT scholarship?

Criteria for Award
A Selection Committee of faculty and staff will review applications for the following:

- Does the student demonstrate a desire to succeed in STEM classes?
- Are the recommendations positive and affirming of the student?
- Is the student focused on academic and personal goals?
- Does the student clearly describe why he/she is enrolled in STEM?
- Does the student make a well-supported case for receiving an award?
