Awards typically range from $250 to $1,000. Scholarships are applied directly toward your program fee and will not be applied to application fees/deposits. In selecting recipients, the Committee considers the academic, personal and, in some cases, technical qualifications of each applicant. Please note that funds are limited and we are unable to award a scholarship to every applicant. If you cancel your participation in the study abroad program or the program is cancelled for some reason, you will not receive your scholarship amount in a refund.

Eligibility: In order to be eligible for a scholarship from the Seattle Community Colleges, you must either be registered for SCCD courses for Spring or pre-registered for Summer / Fall 2013 (not registered only for the 3-5 credit study abroad course item). Please follow the guidelines below.
