GLOBAL IMPACT
INTERNATIONAL SERVICE LEARNING IN THE DEVELOPING WORLD
SUMMER 2012

Global Impact is the Seattle Community Colleges students, faculty and staff, partnering with Seattle area healthcare professionals, educators and community members, to deliver healthcare and other volunteer service in developing countries. Global Impact volunteers make a real difference in the lives of people in developing countries. In return, the lives of volunteers are enriched by the simple act of serving others--and learning to see the world from a different perspective. This experience is life-changing.

VIETNAM VILLAGE TREK
MEDICAL TREK AND VILLAGE DEVELOPMENT PROJECTS

Summer 2012: August 18 - August 28

Seattle Community College students and staff, Seattle area healthcare professionals and others will join Vietnamese healthcare professionals and volunteers on a trek in the Mai Chau Highlands, Northern Vietnam. Our team will deliver healthcare services through village clinics and engage in community development projects. The group will meet indigenous hill tribes including the H’mong, Dzao, Thai and Muong in these remote mountainous villages. Visit the website for a full itinerary and details for this exciting program.

PERU QUEST
HEALTHCARE AND GREEN/SUSTAINABLE ENVIRONMENTAL PROJECTS

Summer 2012: August 4 - August 18

The Sacred Valley of the Incas lies between Cuzco, Peru and world-reknowned Machu Picchu. Our Global Impact Peru projects will include medical /dental clinics, working side by side with a Peruvian healthcare team-- and installing small, clean burning stoves and water filters in village homes. The infrastructure projects are green, sustainable initiatives in addition to preventing a variety of health maladies.

TANZANIA EXPEDITION
HEALTHCARE, EDUCATION AND SUSTAINABLE AGRICULTURE PROJECTS

Summer 2012: August 24 - September 8

Join the Seattle Community Colleges in their expedition to Tanzania, East Africa! Our project sites are a regional hospital and dental clinic, several elementary schools including a school for special needs children, and an agriculture college which promotes organic farming techniques. An optional safari or Mt. Kiliminjaro climb will ensure that this is the trip of a life time!
