

**Associate of Arts Articulation Agreement between
The Seattle Colleges
and the
University of North Texas**

To create a clear and easy pathway for students of The Seattle Colleges, consisting of North Seattle College, South Seattle College and Seattle Central College, to transfer to and complete their baccalaureate degree at the University of North Texas (UNT), this direct transfer agreement (DTA) outlines transfer requirements, provisions, and related advertising considerations. This DTA does not guarantee admission to the university or to the specific program/major.

1. Upon completion of the Associate of Arts degree (A.A.) degree at The Seattle Colleges, students will be accepted by the University of North Texas at junior status with 90 quarter transfer credits. Transferring students must have a minimum cumulative grade point average (GPA) of 2.0 or C. Courses numbered lower than 100-level are not included in this transfer agreement.
2. Transfer of more than 90 quarter credits will be considered on a course-by-course basis up to a total of 120 lower division (100/200 level) quarter credits.
3. In completing the degree specified above, students will have met many of the general education requirements at the University of North Texas.
4. International students who complete both ENG 101 and ENG 102 with a grade of 'B' or higher will have met the English proficiency requirements of the University of North Texas, and will not need to submit separate proof of English proficiency at the time of application.
5. The Seattle Colleges and UNT may choose to co-develop written materials outlining for students programs, policies and procedures relevant to this DTA. This DTA will be publicized in newsletters, course schedules and other promotional materials.

This agreement will remain in effect until a mutually agreed-upon change is deemed necessary. This agreement may be terminated by The Seattle Colleges or UNT with appropriate written notification. Each institution agrees to provide termination notice one year prior to intended change.

The Seattle Colleges and UNT officially authorize this agreement on the 1st day of May, 2014, with the agreement becoming effective immediately.
