

GLOBAL IMPACT

INTERNATIONAL SERVICE LEARNING IN THE DEVELOPING WORLD

SUMMER 2009

VIETNAM VILLAGE TREK
PERU QUEST
TANZANIA EXPEDITION

Global Impact is the Seattle Community Colleges students, faculty and staff, partnering with Seattle area healthcare professionals, educators and community members, to deliver healthcare and other volunteer service in developing countries. Global Impact volunteers make a real difference in the lives of people in developing countries. In return, the lives of volunteers are enriched by the simple act of serving others--and learning to see the world from a different perspective. *This experience is life-changing.*

VIETNAM VILLAGE TREK

MEDICAL TREK AND VILLAGE DEVELOPMENT PROJECTS

3RD YEAR FOR GLOBAL IMPACT

Summer 2009: August 22 - September 1

Seattle Community College students and staff, Seattle area healthcare professionals and others will join Vietnamese healthcare professionals and volunteers on a trek in the Mai Chau Highlands, Northern Vietnam. Our team will deliver healthcare services through village clinics and engage in community development projects. The group will meet indigenous hill tribes including the H'mong, Dzao, Thai and Muong in these remote mountainous villages. Visit the website for a full itinerary and details for this exciting program.

PERU QUEST

HEALTHCARE AND ENVIRONMENTAL PROJECTS

Summer 2009: August 22 - September 5

The Sacred Valley of the Incas lies between Cuzco, Peru and world-reknowned Machu Picchu. Our Global Impact Peru projects will include delivering healthcare projects building and installing small, clean burning stoves and water filters in village homes which prevent deforestation and a variety of health maladies.

TANZANIA EXPEDITION

HEALTHCARE, EDUCATION AND SUSTAINABLE AGRICULTURE PROJECTS

Summer 2009: August 27 - September 12

Join the Seattle Community Colleges in their expedition to Tanzania, East Africa! Our project sites are a regional hospital and dental clinic, several elementary schools including a school for special needs children, and an agriculture college which promotes organic farming techniques. An optional safari or Mt. Kiliminjaro climb will ensure that this is the trip of a life time!
