With Provisions for Hours of Operation, Overnight Camping, and Due Process for Trespass [Proposed April 9, 2012, Revised May 7, 2012]

WAC 132F-136-030

Limitation of use.

(1) Primary consideration shall be given at all times to activities specifically related to the college's mission, and no arrangements shall be made that may interfere with, or operate to the detriment of, the college's own teaching, research, or public service programs.

(2) In general, the facilities of the college shall not be rented to, or used by, private or commercial organizations or associations, nor shall the facilities be rented to persons or organizations conducting programs for private gain.

(3) College facilities may not be used for commercial sales, advertising, or promotional activities except when such activities clearly serve educational objectives (as in display of books of interest to the academic community or in the display or demonstration of technical or research equipment) and when they are conducted under the sponsorship or at the request of a college department, administrative office or student organization.

(4) College facilities may not be used for purposes of political campaigning by or for candidates who have filed for public office except for student-sponsored activities.

(5) Activities of commercial or political nature will not be approved if they involve the use of promotional signs or posters on buildings, trees, walls, or bulletin boards, or the distribution of samples outside rooms or facilities to which access has been granted.

(6) College facilities are available to recognized student groups, subject to these general policies and to the rules and regulations of the college governing student affairs.

(7) Handbills, leaflets, and similar materials except those which are commercial, obscene, or unlawful in character may be distributed only in designated areas on the campus where, and at times when, such distribution shall not interfere with the orderly administration of the college affairs or the free flow

of traffic. Any distribution of materials as authorized by the designated administrative officer and regulated by established guidelines shall not be construed as support or approval of the content by the college community or the board of trustees.

(8) Use of audio amplifying equipment is permitted only in locations and at times that will not interfere with the normal conduct of college affairs as determined by the appropriate administrative officer.

(9) No person or group may use or enter onto college facilities having in their possession firearms, even if licensed to do so, except commissioned police officers as prescribed by law.

(10) The right of peaceful dissent within the college community shall be preserved. The college retains the right to insure the safety of individuals, the continuity of the educational process, and the protection of property. While peaceful dissent is acceptable, violence or disruptive behavior is an illegitimate means of dissent. Should any person, group or organization attempt to resolve differences by means of violence, the college and its officials need not negotiate while such methods are employed.

(11) Orderly picketing and other forms of peaceful dissent are protected activities on and about the college premises. However, interference with free passage through areas where members of the college community have a right to be, interference with ingress and egress to college facilities, interruption of classes, injury to persons, or damage to property exceeds permissible limits.

(12) Peaceful picketing and other orderly demonstrations are permitted in public areas and other places set aside for public meetings in college buildings. Where college space is used for an authorized function, such as a class or a public or private meeting under approved sponsorship, administrative functions or service related activities, groups must obey or comply with directions of the designated administrative officer or individual in charge of the meeting.

(13) If a college facility abuts a public area or street, and if student activity, although on public property, unreasonably interferes with ingress and egress to college buildings, the college may choose to impose its own sanctions although remedies might be available through local law enforcement agencies.

(14) College and non-college groups may use the campus for first amendment activities between the hours of 67:00 a.m. and 10:00 p.m. and the colleges and their campuses are not open to the public except during these times.

(15) There shall be no overnight camping on college facilities or grounds. Camping is defined to include sleeping, carrying on cooking activities, or storing personal belongings, for personal habitation, or the erection of tents or other shelters or structures used for purposes of personal habitation.
