

CTCLINK INFORMATION FOR FACULTY AT SEATTLE COLLEGES

www.seattlecolleges.edu/ctclink

Where do I...? ctcLink, Starfish, and Canvas

Faculty will use a combination of ctcLink, Starfish, and Canvas to <u>support students</u>. The table below provides a brief overview of how faculty can use each system in their work with students, along with relevant resources and login information.

| System | Used to | Important Links | Login Credentials |
|----------|--|--|--|
| ctcLink | Submit final grades View official class rosters and waitlists View course schedule Run official degree audit reports from Advisor Center (based on assigned roles) Notify waitlist students | ctcLink and Other Existing Information Systems ctcLink Reference Center | *When using ctcLink for first time, you may select your old SID number for access. |
| Starfish | Access student contact info View and print class rosters View student Support/Success Networks View course history for current students Take attendance (if not doing so in Canvas) Message students by current class or individually (only active quarter classes) Create Office Hours and Group Sessions Submit feedback through Progress Surveys Add Notes for Success Networks to view Submit digital referrals Review Degree Plans for students (Winter 2021) | Resources for Employees & Students Starfish Resources for Staff & Faculty Starfish Help for Students Starfish Drop-in Q&A Thursdays 10AM - 11AM Fridays 11AM - 12PM | *SeattleColleges username and password *SeattleColleges passwords expire every 120 days for all students, staff, and faculty. |
| Canvas | Manage courses Display course content Record day-to-day grades Take attendance Give homework feedback Communicate with students about classwork | For Instructional Design support or questions about using Canvas, reach out to your campus eLearning department: Central TLC South TLC North TLC | Seattle Colleges email and Canvas password. |
