

**Associate of Arts Articulation Agreement between
Seattle Community College District
And
State University of New York College at Oswego**

To create a clear and easy pathway for students of the Seattle Community College District (SCCD), consisting of North Seattle Community College, South Seattle Community College and Seattle Central Community College, to transfer to and complete their baccalaureate degree at SUNY Oswego, this direct transfer agreement (DTA) outlines transfer requirements, provisions, and related advertising considerations. This DTA does not guarantee admission to the university or to the specific program/major.

1. Upon completion of the Associate of Arts degree (A.A.) degree at the Seattle Community Colleges, students will be accepted by SUNY Oswego at junior status with 90 quarter transfer credits (62 semester credits). Transferring students must have a minimum cumulative grade point average (GPA) of 2.0 or C. Courses numbered lower than 100-level are not included in this transfer agreement.
2. Transfer of more than 90 quarter credits will be considered on a course by course basis up to a total of 120 lower division (100/200 level) quarter credits. Courses with a grade lower than C- or 1.6 will not transfer.
3. In completing the degree specified above, students will have met most general education requirements at SUNY Oswego. (Please see Appendix A)
4. International students who complete ENG 101 and ENG 102 with a grade of 2.0 or higher will have met the English proficiency requirements of SUNY Oswego, and will not need to submit separate proof of English proficiency at the time of application.
5. SCCD and SUNY Oswego may choose to co-develop written materials outlining for SCCD students programs, policies and procedures relevant to this DTA. This DTA will be publicized in newsletters, course schedules and other promotional materials.

This agreement will remain in effect until a mutually agreed-upon change is deemed necessary. This agreement may be terminated by the SCCD or SUNY Oswego with appropriate written notification. Each institution agrees to provide termination notice one year prior to intended change.

SCCD and SUNY Oswego officially authorize this agreement on 31st

Day of January, 2011, with the agreement becoming effective immediately.
