2021 Graduation and Juneteenth Celebration

Crawford Appointed President of North Seattle College

Step 2: Click the Class Schedule icon.

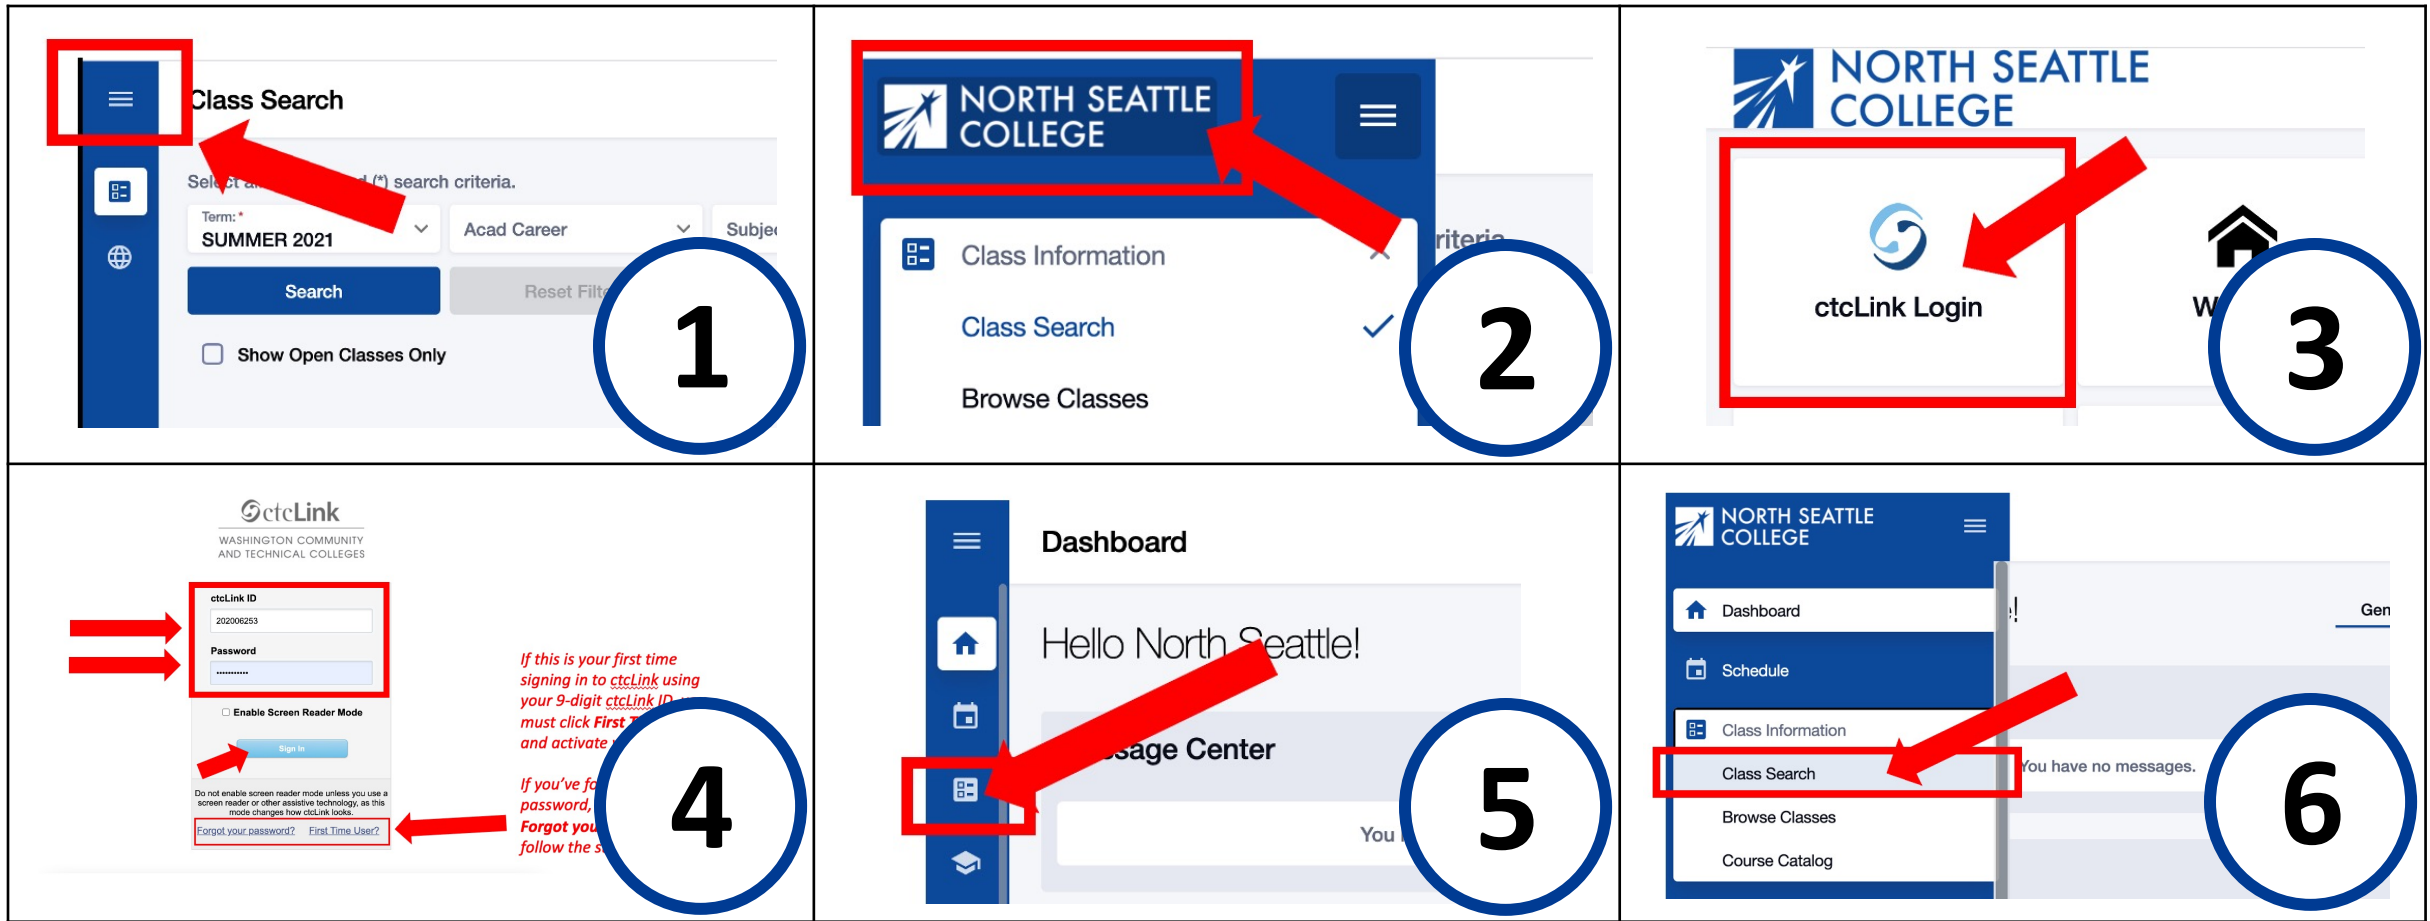

The screenshot shows the 'Class Search' page. At the top, there's a header with a hamburger menu icon, the title 'Class Search', and a settings gear icon. Below the header, a red rectangle highlights a grid icon in the left sidebar. A red arrow points from this icon to a dropdown menu that is expanded, showing four options: 'Class Information' (with a grid icon and an upward arrow), 'Class Search' (with a checkmark), 'Browse Classes', and 'Course Catalog'. The main content area of the page is titled 'Select all the required (*) search criteria.' and contains several input fields: 'Term: *' with a dropdown set to 'SUMMER 2021', 'Acad Career' with a dropdown, 'Subject *' with a dropdown, 'Catalog #', and 'Keyword'. There are also 'Search' and 'Reset Filters' buttons. A 'More Filters' button with a count of '1' is on the right. A red text annotation is overlaid on the right side of the image.

*This guide uses the view for students at North, but the Class Search works **exactly the same** for students at Central and South.*

The **Class Search** page is the default view. To browse classes by course number or see the course catalog, click the **Class Information** icon in the left navigation bar.

Step 3:

You must be logged in to enroll in a class or add a class to your Shopping Cart or Planner. If you have applied or are a current student, please log in to your account before searching so you can search and enroll at the same time. See the next slide for login review. If you're just looking, go to **Step 4**.

Login:

1. Click the 3-line menu (hamburger button) at the top left.
2. Click the college logo.
3. Click ctcLink Login.
4. Enter your ctcLink ID and password. Then click Sign In.
5. Click the Class Information icon on the left navigation bar.
6. Click Class Search.

Search layout depends on the size of your screen.

The screenshot displays the 'Class Search' interface. On the left is a blue sidebar with a hamburger menu, a grid icon, and a globe icon. The main header is 'Class Search'. Below it, a prompt says 'Select all the required (*) search criteria.' The search criteria include: 'Term: * SUMMER 2021' (with a dropdown arrow), 'Subject Begins With', 'Subject' (with a dropdown arrow), 'Class Number', and 'Catalog #'. There is a 'Keyword' field and a 'More Filters 1' button highlighted with a red box. Below these is a 'Search' button and a checkbox for 'Show Open Classes Only'. A red arrow points from the 'More Filters' button to an expanded filter panel. This panel also contains the same search criteria but with additional options: 'Instructor Last Name', 'Course Attribute' (dropdown), 'Course Attribute Value' (dropdown), 'Units', 'Location' (dropdown), 'Days' (dropdown), 'Start Time' (dropdown), 'End Time' (dropdown), 'Start Date From' (calendar icon), 'Start Date To' (calendar icon), 'Academic Organization' (dropdown), 'Acad Group' (dropdown), 'Requirement Designation' (dropdown), 'Session' (dropdown), and 'Acad Career' (dropdown). It also has 'Search' and 'Reset Filters' buttons, and the 'Show Open Classes Only' checkbox.

*Check the **Show Open Classes Only** box to see **ONLY OPEN CLASSES**.
Leave it unchecked to see open and closed (full) classes.*

Step 5: Use **Subject Begins with** and type in the 2-5 character subject to see ALL classes for subjects that have CCN (BIOL&, ENGL&, CHEM&) and non-CCN courses (BIOL, ENGL, CHEM).

The screenshot shows the 'Class Search' interface. On the left is a blue sidebar with icons for a menu, a grid, and a globe. The main area has a title 'Class Search' and a subtitle 'Select all the required (*) search criteria.' Below this are several filter sections: 'Term:' with a dropdown set to 'SUMMER 2021', 'Subject Begins with:', 'Instruction mode:', 'Keyword:', 'Location', 'Days', 'Requirement Designation', and 'Session'. At the bottom left is a checkbox labeled 'Show Open Classes Only' which is currently unchecked. To its right is a 'Subject:' dropdown menu that is open, showing a list of subjects: Biology, Biology (CCN), Business, Business (CCN), CE - Professional, Chemistry, Chemistry (CCN) (which is highlighted), and Communication. A red arrow points from the top of the page to the 'Subject:' dropdown. Another red arrow points from the 'Show Open Classes Only' checkbox to the text below it. On the right side of the interface, there are additional filters including 'Class' and 'Group', and a 'Reset Filters' button.

Check the **Show Open Classes Only** box to see **ONLY OPEN CLASSES**. Leave it unchecked to see open and closed (full) classes.

Note that CCN and regular courses are listed separately. Be sure to look in **BOTH** subject lists (example, CHEM - Chemistry and CHEM& - Chemistry (CCN)) or use **Subject Begins with** to see **ALL** the Chemistry classes offered that quarter.

What are CCN courses? Common course numbered (CCN) courses allow for easier transfer between colleges and are noted by an "&" after the department name.

Step 6:

Search by **Subject**, **Class Number**, **Instruction Mode**, **Location**, and other filters. Remember that CCN courses and non-CCN courses are listed separately in the **Subject** filter. Use **Subject Begins with** to see **ALL** English courses.

The image shows a search interface with a blue background. On the left, a 'Course Attribute' dropdown menu is open, showing a list of attributes. 'North Seattle Attributes' is selected and highlighted with a red box. A red arrow points to the dropdown header, and another points to the selected item. In the center, a search bar contains two dropdowns: 'Course Attribute' and 'Course Attribute Value', both highlighted with a red box. Below them are fields for 'Start Date Between' and 'Academic Organization'. On the right, a 'Course Attribute Value' dropdown menu is open, showing a list of values. 'Visual, Literary and Perf Arts' is selected and highlighted with a red box. A red arrow points to the dropdown header, and another points to the selected item.

Status Key

9/30

Green O means the class is still open and students aren't added to a waitlist, yet. 9/30 means there are still 9 available spots out of 30 total spots.

8/10

Orange W and Gray O mean the class is full, but there is still space on the waitlist. 8/10 means there are still 8 available spots on the waitlist out of 10 total waitlist spots. 0/20 means there are 0 available spots on the regular roster out of 20 total spots.

0/20

0/20

Red C means the regular roster and waitlist are both full. The class is closed, and students cannot add themselves to the waitlist.

Step 13:

Review the **Status** of each **Section**. The first number is the number of spots still available, and the second number is the total number of spots for the class or waitlist.
