

Use ctcLink on your Mobile Device: Get the App

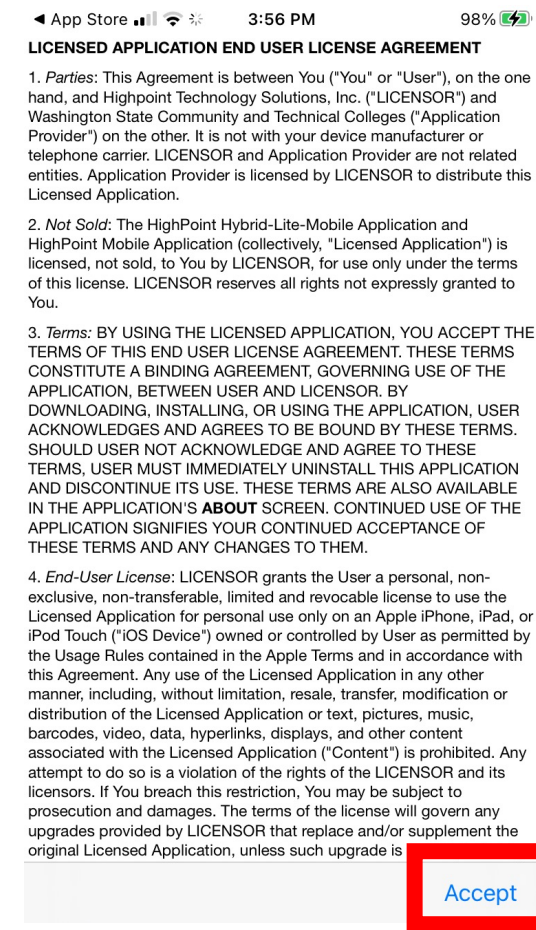

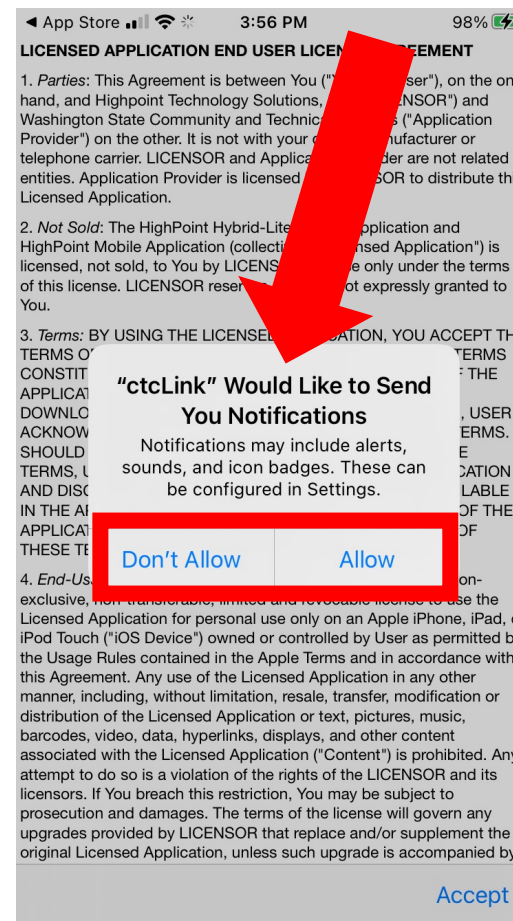

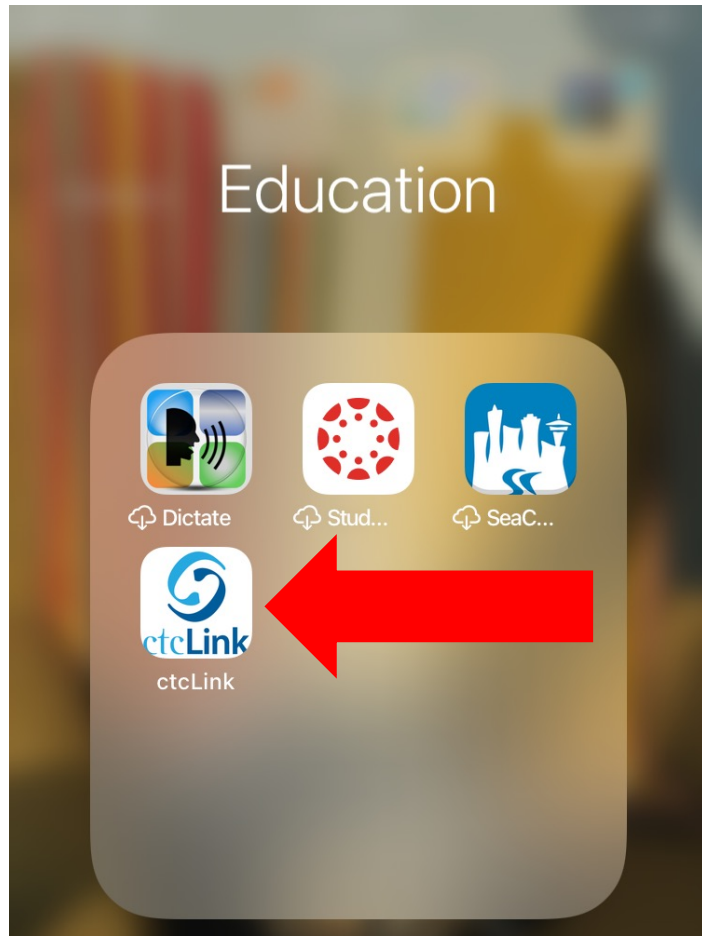

SEATTLE COLLEGES
Central • North • South

GET

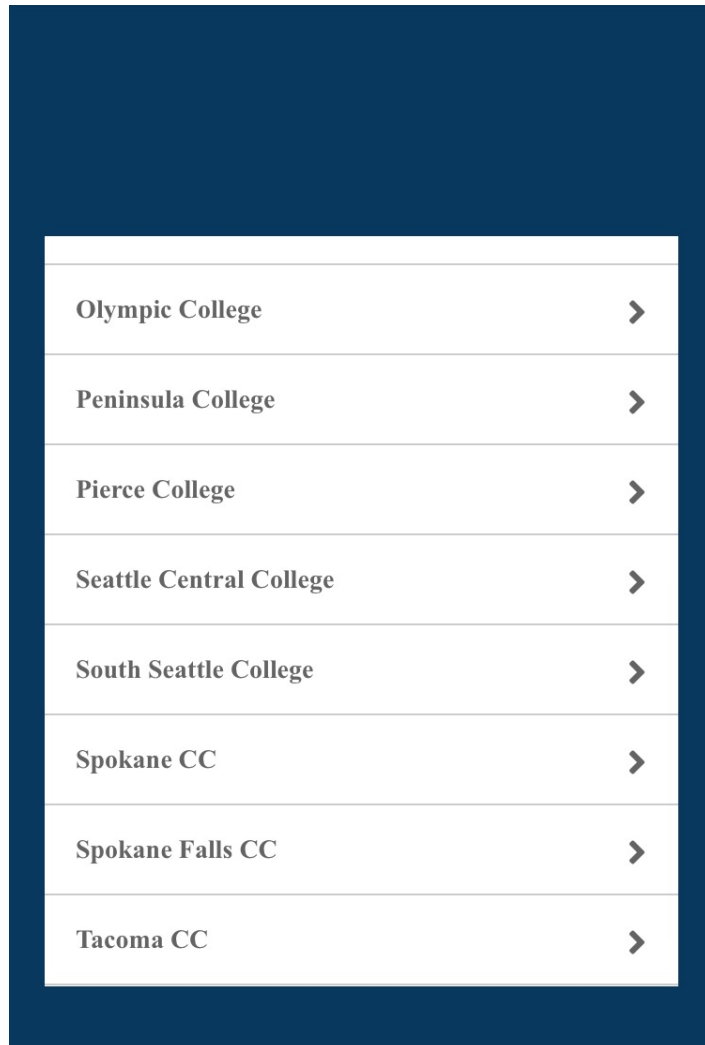

Step 1: Open your device's App Store (iPhone) or Play Store (Android) and search for **ctclink**. Click **Get** to download the app to your device.

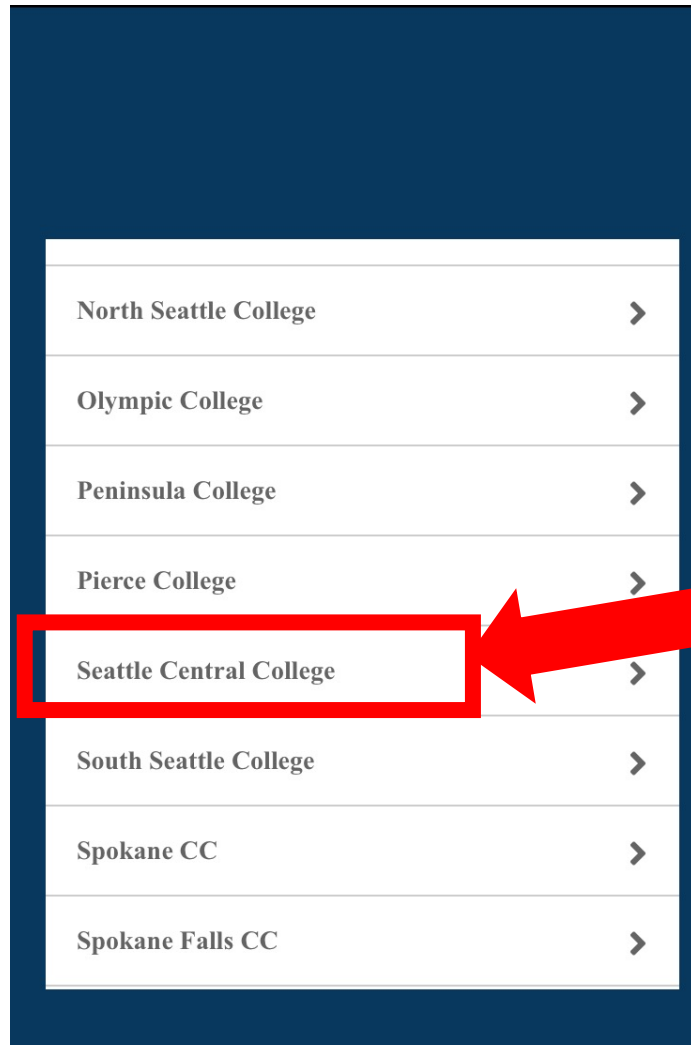

You must accept the terms to use the ctcLink mobile app.

Step 2: After it downloads, open it. Click “Don’t Allow” or “Allow” to set your notification preferences. Then scroll all the way to bottom and click “Accept”.

Here we are using Seattle Central College as the example, but the app works exactly the same for North and South Seattle College, too.

Step 3: Select your Institution from the list. Scroll to see more options.

Step 4: Click on the tiles to log in to **ctcLink**. You can also **Browse Classes** or view other important sites such as **Office 365**, **Canvas**, and **Starfish**.

The image shows the first step of the ctcLink login process. At the top is the ctcLink logo. Below it, the text "Washington State Community and Technical Colleges" is centered. The main form area has a red rectangular box around the "ctcLink ID" input field. Below the input field is a "Remember me" checkbox. A large red arrow points to the "Next" button. At the bottom of the form are links for "Password Help", "How to Enable Screen Reader Mode", and "Activate Your Account".
