LEARN MORE ABOUT HORTICULTURE AT SEATTLE COLLEGES

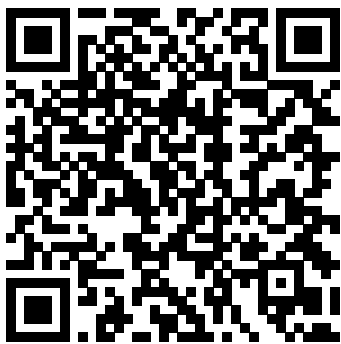

The Landscape Horticulture program offers training in landscape design, greenhouse and nursery operations, irrigation systems, plant problem diagnostics, pruning, soil science and much more. This program prepares graduates for careers in landscaping or groundskeeping supervision, small business ownership, nursery and greenhouse operations, and much more.

CTE Dual Credit: Next Steps

REGISTER • FIND YOUR CREDITS • TRANSFER

How do I register for CTE Dual Credit?

Follow the instructions on the Seattle Colleges CTE Dual Credit Registration page

Where can I find my credits?

- Credits are applied to your college transcript during the summer.
- You can request a copy of your official or unofficial transcript from the South Seattle College website.
- Use your ctcLink ID number to log in to the ctcLink website and view your academic record.

How can I transfer my credits to another college?

- Send an official transcript to your college of choice to transfer your Seattle Colleges credits.
- If you earned credits from more than one Seattle Colleges campus, request and send a transcript from each campus.
- For more information, scan the QR code.
