LEARN MORE ABOUT ROBOTICS AT SEATTLE COLLEGES

Our programs provide a broad foundation in electronics training. Instruction emphasizes a hands-on approach, use of sophisticated test equipment, and a solid base of information concerning computer hardware and software for technical applications. These programs offer job training directed toward immediate employment and future advancement with companies specializing in manufacturing or servicing all types of electronic equipment.

How do I register for CTE Dual Credit?

Follow the instructions on the Seattle Colleges CTE Dual Credit Registration page

Where can I find my credits?

- Credits are applied to your college transcript during the summer.
- You can request a copy of your official or unofficial transcript from the North Seattle College website.
- Use your ctcLink ID number to log in to the ctcLink website and view your academic record.

How can I transfer my credits to another college?

- Send an official transcript to your college of choice to transfer your Seattle Colleges credits.
- If you earned credits from more than one Seattle Colleges campus, request and send a transcript from each campus.
- For more information, scan the QR code.
