LEARN MORE ABOUT MANUFACTURING AT SEATTLE COLLEGES

Our welding programs train students in blueprint reading, layout, cutting, fitting, and advanced welding techniques. The program provides certification preparation along with training in computer-controlled machinery and fabrication operations. Graduates are prepared for careers ranging from welding fabricators to shop supervisors, across industries such as boat building, automotive, machine fabrication, and construction.

CTE Dual Credit: Next Steps

REGISTER • FIND YOUR CREDITS • TRANSFER

How do I register for CTE Dual Credit?

Follow the instructions on the Seattle Colleges CTE Dual Credit Registration page

Where can I find my credits?

- Credits are applied to your college transcript during the summer.
- You can request a copy of your official or unofficial transcript from the South Seattle College website.
- Use your ctcLink ID number to log in to the ctcLink website and view your academic record.

How can I transfer my credits to another college?

- Send an official transcript to your college of choice to transfer your Seattle Colleges credits.
- If you earned credits from more than one Seattle Colleges campus, request and send a transcript from each campus.
- For more information, scan the QR code.
