

## MEMORANDUM

**TO:** Board of Trustees

**FROM:** Kurt R. Buttleman, *Vice Chancellor – Academic & Student Success*

**DATE:** June 10, 2021

**SUBJECT:** Winter Quarterly Enrollment Report

---

Following are quarterly enrollment reports summarizing the numbers of FTES (Full Time Equivalent Students) at the Seattle Colleges by the categories of:

- State Funded FTES – credits taken by students in courses that are funded by a combination of legislative appropriation of state funds plus student tuition
- International FTES – credits taken by students in contract supported courses that are funded by tuition paid by international students
- Running Start FTES – credits taken by students in contract supported courses that are funded by contracts with K-12 school districts

As a reminder, one Full-Time Equivalent Student (FTES) is the equivalent of one student enrolled for 15 community college credits per quarter.

Examples:

- One student taking a full academic load of 15 credits is the equivalent of one FTES.
- If three students are each taking one five-credit class, together they total one FTES.
- Annualized FTES are simply Quarterly FTES divided by 3. This is the common way of referring to counts of FTES in higher education.
