

SEATTLE PROMISE

College for Every Seattle Public Schools Student

FREE TUITION IS JUST THE BEGINNING

Seattle Promise brings college education within reach for every Seattle Public High Schools student. Students accepted to the program receive personal support to transition from high school and succeed in college and up to two years (or 90 credits or first degree, whichever comes first) of free college tuition at North Seattle College, Seattle Central College, or South Seattle College.

All Seattle public high school students in the 2022 graduating class are eligible, regardless of grade point average (GPA), income, ability, or country of birth. Students will begin their studies at Seattle Colleges in fall 2022.

THE SUPPORT YOU NEED TO THRIVE IN COLLEGE

SEATTLE PROMISE INCLUDES

COLLEGE PREPARATION: Support preparing for life on campus, assistance choosing and registering for classes, introductions to college instructors and more to help you get ready for college.

YEAR-ROUND SUPPORT: Regular check-ins with the Seattle Promise team to help you navigate your college experience from start to finish.

LONG-TERM PLANNING: Advising to help plan your next steps, including opportunities for gaining a summer internship and work experience.
