

Starfish

Your Network to Student Support and Success Resources

Starfish makes it easy to find your instructors, advisors, and other services that can support you while you're a student at Seattle Colleges. Schedule appointments online and connect with the people and services you need to succeed.

Use Starfish to:

- Schedule advising appointments and find information about drop-in advising hours.
- Make appointments with tutors and find information about drop-in tutoring services.
- Access information about student support services on campus.
- View your current instructors and courses.
- Find digital to-do items and checklists assigned by your advisors.
- View all messages sent from advisors, instructors, and other services through Starfish.

How do I access Starfish?

- Look for the Starfish icon on the Current Students page of your campus website.
- Use a quick link: northseattle.edu/starfish | seattlecentral.edu/starfish | southseattle.edu/starfish

Sign In

Use your MySeattleColleges username and password. They're the same ones you use to access campus Wi-Fi.

Welcome to Seattle Colleges' Starfish portal.

Login: Use your MySeattleColleges credentials to login. This is the same login as your Office 365 account (and the same used for campus wifi). **Do not include the @SeattleColleges in your login.**
