Make a Difference

with a rewarding and well-paying career in Residential Construction

Did you know? The median salary for residential construction jobs is \$65K annually, with more experienced workers earning up to \$150K per year. Or take flight with entrepreneurship. The sky's the limit.

JOB FAIR 2022

4-6PM

SEPT 8

The Wood Technology Center (OUTSIDE)
2310 S Lane St,
Seattle, WA 98144

- ✓ Meet builders and remodelers in search of workers
- ✓ Discuss with potential employers the possibility of funding tuition for training
- ✓ Learn how to build a residential structure and become certified through evening carpentry classes
- ✓ Bring your resume!
