Browse & Search for Classes
Open a browser and go to your campus website.

Step 1: Click on Enrollment & Funding.

www.seattlecentral.edu | www.southseattle.edu | www.northseattle.edu
Step 2: Click on Class Schedule.
Click **Browse Classes** to quickly see all the different subjects and courses offered during a term.

**Step 3:** To search for a specific class section (day, time, instruction mode, etc.), do not click anything and go to **Step 8**.

For these examples we are using the view for students at North, but it works exactly the same for students at Central and South.
Step 4: Click on the displayed term to expand the term dropdown menu. Then, click on the term you want to browse.
Click on the subject you want to browse to expand the course list.

Step 5:
Step 6: Click on the course name to see all offered sections. Use the arrow at the top left to navigate back to the subject list.
Review the basic information for this section of the class. For more information, click on the class section.

**Step 7:** Use the arrow at the top left to navigate back to classes, subjects, and terms.
Step 8: To search for a class by time, days offered, instruction mode, or specific criteria, click **Class Search** on the main navigation menu.
Step 9: Select the **Term**, **Subject**, and **Instruction Mode** from the dropdown menus. Uncheck the option box next to "**Show Open Classes Only**" to see **ALL** classes. Don't forget to scroll!
Choose your college for Course Attribute dropdown menu. Select a Course Attribute Value from the dropdown menu to narrow to specific types of courses such as “Learning Community” or “Common Courses”.

Step 10:
Step 11: Choose the **Time Range**, **Days**, and **Location**.

Always set:
- **Campus** to “Main Campus”.
- **Any Acad Career** to “Academic Career” to see for-credit classes.
Step 12: Once your criteria have been selected, click **Search**.
Step 13: Review the basic information for each section. Click on the class section for more information.
